EAGLES WIN ONE LOSE ONE

STUDENTS LISTEN TO PRESIDENT'S INAUGURAL ADDRESS

Monday morning the students of the high school heard President Roosevelt's Inaugural address. This privilege took place of regular class work.

The important parts of his speech were as follows:

Roosevelt is found with the problem of keeping enemies from entering our country. The past eight years have been fruitful years for us Americans. We have maintained our democracy in spite of threats that our government was becoming a dictatorship. Democracy is not dying. Our nation of people have minds of their own. The spirit of America is bred in the minds of the common people. American way of life has gained in stature and clearness in this way: we do not want an extremely wealthy class, or an extremely poor class. We do not retreat, we are not content to stand still, we will go forward in the service of our country by the will of God.

LOCALS MEET PROSPECT TONIGHT

At the present time the locals have tangled with all of the teams in the league but Prospect. In the first conference game of the year the locals lost to a fast-passing Talent team 20-15. The game was nip and tuck all the way through with the hornets maintaining a slim lead through out the game. The Eagles next encounter was with the high flying Butte Falls Loggers when the locals journeyed to that city. The brilliant Butte Falls five proved too much for the hard fighting locals and the game ended 52-12.

The Eagles came from behind in their next encounter to win a brilliant victory over Sams

HIGH SCHOOL SUPERVISION

The faculty of the school will not supervise any High School student who attends games or parties away from home and who go to said functions in their own cars or conveyances. If their parents are along they are well supervised, and if they are not and the parents allow them to be alone, they are supposed to be supervised up to the parents full approval. We receive invitations to sponsor private trips to these school affairs now and then, but the Faculty can not say "No," nor can they say "Yes." It is not their business to sponsor private trips. If you parents wish to know just when and how any of your students go to a game or to a party we will be glad to tell you as much as possible. Any student that attends a game away from home is expected to be able to stay for the entertainment that is given by the entertaining school and wait until all students return home upon the bus.
 (Mr. Bushnell)

THE SPIRIT OF AMATEUR ATHLETICS

Amateur athletics is based on loyalty, the will to win, discipline (including training), and self sacrifice. Any person who does not have those qualities need not consider himself an amateur athlete.

All physically fit students should enter into some type of physical and athletic training. Perhaps some stress should be placed on mental capacity as well as physical fitness.

I have noticed that the best athletes, both in high school and college, have an excellent mental attitude toward their own team members as well as the opponents. They would rather pick an opponent up than upset him by some unorthodox rules.

I believe that most of us agree that games are played for fun, but there are a few who do not realize this fact.

Players who display poor sportsmanship do so because:

1. They are inferior to their opponents and use unfair methods as a means of compensation, or
 2. They are suffering from an inferiority complex and they think that people will see them in a "different light" if they are a "big, bad wolf."
- Anyone can be "tough guy" in an athletic contest, but it takes a player to show skill and sportsmanship. (by Coach Dickson)

ANNUAL NEEDS A SPIFFY NAME

All of you students start thinking about a possible name for the High School Annual. We want something with a mark of individuality that will really stand for our school. The last annual that was published was called the "SPOTLIGHT." Rogue River calls their annual the "RO-HI-AN."

GIRLS PLAY VOLLEY BALL.....

Friday night brought a good deal of enjoyment to the E.P.H.S. Girls' Volley Ball Team. They were proud to represent the Eagle Point High School in an interschoolastic game of volley ball with the Sams Valley girls.

Because of a misunderstanding between physical ed. teachers, different rules were used by the two teams. This caused rather unbalanced games of which the Sams Valley girls won two out of three.

The starting line-up was as follows: Mary Harnish, Mildred Westcott, Martha Abel, Betty Trueblood, Dorothy Young, Reva Chestnut, Leilla McGraw, and Frances Davidson. Audrey Knighten, Joan Millard, and Catherine Walch were the alternates.

B.A.A. IS HONORED.....

This week, on Wednesday, Jan. 22, found the B.A.A. boys guests of the G.A.A. girls at a dinner party. The dinner was held in the science laboratory in the grade school, at 7:00 p.m.; about fifty persons were served.

The menu consisted of tamale pie, cheese and ritze crackers, pickles, fruit cocktail, punch, and cookies.

SOPH CACKLES

We are struggling rather hard in our math class trying to complete some of our tough assignments. You know, trigonometry.

Well, we have had our semester test in English. We think, at least we hope, that we all passed it.

We are losing a member of our class. Leslie Scott is moving to Butte Falls. He will attend school there. We hope he remembers his friends in dear old E.P. H.S.

FIREMEN SPONSOR CARD PARTY

The Eagle Point firemen gave a very successful card party at the Grange Hall Saturday night Jan. 18 from 8 o'clock to 1 o'clock. The money raised is to be used for new equipment.

A crowd of seventy-five attended the party. Will Brown captured the prize for 500; and Foster Greb for pinochle.

A very bountiful supper was served from 12 to 1.

A mind like a flash of lightning, quick but crooked.

GRANGE TO GIVE TURKEY DINNER

The Eagle Point Grange is giving a turkey dinner Sunday, Jan. 26, at the Grange Hall. Turkey, some chicken with lots of trimmings, and pies, and cakes will be served.

The dinner will start at 12:30 p.m. and the public may dine till 4:00 p.m. The admission price will be 50¢ for adults and 25¢ children. The funds will help pay for the new grange hall which was built three years ago.

E.P.H.S. LOSES STUDENT.....

Leslie Scott, who has been a resident of Eagle Point for about eight years, is moving to Butte Falls with his parents. He will enter the Butte Falls High School about midsemester.

Leslie's activities in athletics during his one and one half years in high school have been outstanding. He was one of the few who recieved a letter last year for his performance in basketball. During the football season last fall he was one of the prominent ends. In basketball this year he gave a very nice performance as forward. He has been high point man in several games. The basketball team will lose a very good player when he departs from Eagle Point High. Although the team is sorry to see him leave, it will extend a hardy hand clasp and will look forward to the time it will meet him on the floor again with the Butte Falls squad.

MUSIC ♪♪♪ FLASHES

FLASH--The E.P.H.S. music students have been invited to participate in a BAND CLINIC on March 6th & 7th, under the direction of Dr. Theodore Kratt and Mr. John Stehn. Following two day's rehearsal, all students participating will appear in a Concert on the night of the 7th, in the Medford Senior High School Auditorium. It will be a rare privilege for our students to attend this clinic, and take part in the Concert.

FLASH--The E. P. band members with the Sams Valley group furnished music for the basketball game between E.P.H.S. & S.V.H.S. As you all know, good old Eagle Point won! The applause from the audience indicated that the music was greatly enjoyed.

FLASH--Mr. Bushnell evidently likes our new orchestra selection, "Modernistic." You should have seen him dancing last Thursday.

FLASH--If you hear a loud yell during rehearsal time on Thursdays, think nothing of it. It's only the music students rehearsing their new Indian selection.

GOSSIP

V.W. Hay took 2nd prize in the pinochle row at the Firemans Card Party last Saturday evening.

Coach Dickson was seen grinning all over town because we won the game Friday night.

Mr. Ensminger (at the Firemans Card Party) I never saw so many people holding hands before."

Mary Harnish, prominent E.P.H.S. activity girl, spent Saturday night with Edith Hoeft, the Lake Creek "Society Girl."

Did you know that Frances and Sandy are always fighting. Believe it or not-----.

Mary Harnish's optometrist needs the attention of an oculist. He asked Mary if Edith Hoeft was her mother. Edith's face grew very, very red.

LOCALS MEET PROSPECT TONIGHT

(cont' from page 1)

Valley to the tune of 21-17. The locals displayed much power in this game with Walch hitting the hoop for eight points.

Our next game turned out to be an overtime thriller with the Eagles and the St. Mary's Crusaders battling each other to a standstill. In the overtime period, St. Mary's hit one from the center stripe and then held the locals scoreless for the remainder of the time to win 17-15. With this record the locals mix with the Prospect team on the Prospect floor tonight. Although Prospect has failed to win a game this season, they are reported having a hard fighting team and the game should be very close. The locals have displayed an ever increasing amount of power as the season progressed and should give the "Prospectors" a whale of a battle tonight.

WHAT WOULD YOU SAY, IF---

Eddie Dahack came to school five days out of one week?

Howard Parker didn't play a tune on his car horn to let people know he was in town?

Lola Hise should suddenly become talkative?

CABINET CHANGES

The members of President Roosevelt's cabinet have changed considerably since his third term. The only original members left from his second term are Secretary of State, Hull, Secretary of Interior, Ickes, and Secretary of Labor, Perkins.

The changes have been as follows: James A. Farley resigned as Postmaster General to go into private business. He is replaced by Frank C. Walker, a right hand man of President Roosevelt. Secretary of Commerce, Harry F. Hopkins, resigned because of ill health. Jesse H. Jones, a Texan businessman is replacing him. Jones was Federal Loan Administrator. At the appointment and at the request of President Roosevelt, Congress voted to allow him to hold both offices. He will only draw one salary. When Henry A. Wallace resigned to run for vice-president, the president appointed Claude R. Wickard, a farmer, in his position. Wickard was the Under Secretary of Agriculture under Wallace.

Two more important changes have been made in the cabinet, in the war and navy departments.

Henry F. Stinson has been named Secretary of War and Frank Knox, the Secretary of Navy. Both men are Republicans but they agree with the President on defense matters.

HARRY FREY GRADUATES

Harry Frey, a senior, will graduate at the end of the semester. He will be greatly missed by the senior class, in which he is a very fine student.

He is president of the Boy's Athletic Association and he has done a good job. Irving Haight, the vice president, will take his place and act as president the rest of the year.

Harry was one of the "star" ends on the football team and he will be a great loss to it.
